

2016 Children's House Camp

3-6 Year Olds

Week 1 Mini Picassos June 20-24

Our Mini Picassos week brings out our creative and artistic abilities. We will spend time discussing famous artists and explore different painting styles through stories, pictures and hands-on activities.

Week 2 Stars and Stripes June 27– July 1

We are proud Americans and one of the symbols of our pride is our flag. Throughout this week we will focus on celebrating our country's heritage and what it means to be an American through stories, songs and discussions about our country's traditions.

Week 3 Weather Wisdom July 5-8 (No Camp Monday July 4th)

During this week our focus will be on all types of weather: Stormy, Windy, Cloudy etc... Depending on the weather the children will have an opportunity to make wind chimes, wind socks and to fly kites. We will be flexible and enjoy whatever our weather delivers to us while we learn about the clouds, wind and the sun.

Week 4 Digging Dinosaurs July 11-15

This week we will learn about Dinosaurs and their environments. We will explore Fact –vs– Fiction through books and various dinosaur activities. Some of our week's activities will include making fossils, a dinosaur egg hunt and great fun at our Dino Dig site searching for buried dino treasures.

2016 Children's House Camp

3-6 Year Olds

Week 5 Drama! July 18-22

Lights, Camera, Action! Another opportunity to explore our creative minds, this week we look forward to reenacting some of our favorite Rhymes. The children will explore their abilities in stage and costume design, while gaining self confidence when transforming play into the artistic expression of drama.

Week 6 Photo Fun July 25-29

Say Cheese... This week we will explore our surroundings inside and out, through the art of photography. The children will focus on their natural and man-made surroundings through the eye of a camera. All of the children will be taking photos and will create their own personal photography portfolio.

Weeks 7 & 8 Spanish Immersion August 1-5 & August 8-12

Hershey presents a new offering for your child to enjoy summer fun while learning a new language. Our Spanish speaking instructors are prepared to make this a program your child will never forget!

What is immersion? Immersion is a method of teaching a foreign language by the exclusive use of that language. This summer we are thrilled to offer a Spanish Immersion Program for children ages 3 to 9 years of age. Immersion is the ideal way to learn another language. Students are highly motivated to learn because they are surrounded by the language, hearing and practicing consistently throughout the day. In this setting, students will be provided with a natural learning experience, not only learning Spanish but also acquiring knowledge of the culture, music and food of Spanish speaking countries. We are excited at the opportunity to see your child grow and embrace a new culture in our Spanish Immersion program.
