

2016 Young Child Community Camp

12 months - 3 years; The Young Child Community Camp will run for eight weeks
with each camp session lasting two weeks

Wheels

Session 1- June 20 – June 24 & June 27– July 1

For children who love things that move - these weeks are for you! We will learn about all the different types of things that travel on land, on the water, and in the air. Games, songs and stories will relate to the modes of transportation that we use to get ourselves around. We will explore things that go, and learn how to get from here to there.

Music Makers

Session 2- July 5-8 & July 11-15 (No Camp Monday July 4th)

Music Makers: These two weeks will be rich in opportunities to hear many genres of music, working our way from **A** (for Acoustic) to **Z** (for Zydeco). Engaging movement activities, singing and playing various percussion instruments will be part of the daily experience. Highlights will include: creating some of our very own instruments, being treated to several live performances by local musicians, and closing the session with a special hand-made songbook to take home. We look forward to lots of merry melodies!

Nature Explorers

Session 3– July 18-22 & July 25-29

Summer days are perfect for slow, meandering walks where we can gather rocks, investigate insects, look for critter tracks and picnic at the pond. These ten days will be devoted to outdoor adventures. We will create art with nature, participate in a collective scavenger hunt, keep our eyes peeled for birds and butterflies, use magnifying glasses to take an even closer look, and enjoy lots of stories about the natural world. Campers will enjoy the experience of setting up a tent and tying their own personal bandana. Get ready to get exploring!

Water

Session 4- August 1-5 & August 8-12

Warm summer days will be perfect for wading in the pools, running through the sprinklers and playing with ice. Our water weeks will certainly make a splash for children as summer winds down. We will explore the ways water moves, take trips to the pond, water the gardens, and soak up the sun!
