

2017 Children's House Camp

3-6 Year Olds

Spanish Immersion June 19-23 & June 26-30

What is immersion? Immersion is a method of teaching a foreign language by the exclusive use of that language. This summer we are thrilled to offer a Spanish Immersion Program for our children's house summer camp. Immersion is the ideal way to learn another language. Students are highly motivated to learn because they are surrounded by the language, hearing and practicing consistently throughout the day. In this setting, students will be provided with a natural learning experience - not only learning Spanish, but also acquiring knowledge of the culture, music and food of Spanish speaking countries. We are excited at the opportunity to see your child grow and embrace a new culture in our Spanish Immersion program.

Exploring Nature July 3-7 (no camp on 7/4), July 10-14, July 17-21, & July 24-28

For the Month of July our Children's House program will embrace four individual weeks exploring the love of nature. Throughout these four weeks, the outdoors will be our focus to engage, motivate and inspire positive experiences. Some of our activities will include flower pressing, nature weaving, building stick forts, journaling, painting, leaf threading, and scavenger hunts. During our daily trail hikes we will have many inviting opportunities for plant identification, spiders, insects, bird watching, pond visits and animal tracks. We will also enjoy creating earth art, bird feeders, music, labyrinths, and a mud pie or two!
