

2017 Elementary Summer Camp

Week 1 Outdoor Adventure June 12-16

Participants will learn a variety of outdoor skills over the course of the week. They will learn how to design and set up a campsite, tie knots, how to build a cooking fire, and other essential camping skills. There will be a focus on team building and working as a group. The week will end with an overnight camping trip at the school (parents are required to attend the overnight) where they will be able to test their skills, share stories, and just have a good time. We will extend our Camp Hours on Friday June 16th until 6:00 PM where parents may then choose to pick their child up, or you may stay to take part in our "Pot Luck" Dinner and evening campout.

What to Bring: Daily lunch and water bottle. Pot Luck Dish (to be communicated by Jeff) and Camping gear as needed.

Week 2 Science June 19-23

Love science? Love to explore and investigate? Come join us for a week of discoveries through group discussions, hands on activities, and amazing demonstrations: crystalizing fudge, looking at hidden pigment in leaves, creating lightning, and a whole lot more. At the end of the week you will be invited to a science fair where you can be part of the fun and excitement.

What to Bring: Daily lunch and water bottle.

Week 3 Hershey Cooks, Culinary Camp June 26-June 30

This week long culinary adventure will be focusing on giving your young chefs the skills they need in the kitchen to gain confidence. The final day will be used to challenge their skills. (Hint: think "Chopped"). Our young chefs will prepare their own lunches and snacks for the week.

2017 Spanish Immersion Program

Spanish Immersion July 3- July 7 (No Camp on 7-4)

During this week your elementary child will build on their knowledge of Spanish as they immerse themselves in conversation, listen to it, and practice with native speakers. In addition, the children will be able to do a variety of activities each day: they will have an opportunity to listen to folklores, folktales, music, art, dance, and present a Spanish skit at the end of the week. A large part of this amazing culture is their food: The children will be able to make some authentic Hispanic dishes and learn about their origin. This will be a great opportunity for your child to not only immerse themselves in this culture but also gain an appreciation for it. "ven y únete a nosotros!"

What to Bring: Daily lunch and water bottle.
