Please note: **All items must be clearly marked with the student's name.** Please use permanent marker or a sewn-on patch. Please be aware that we encourage students to keep their living spaces clean and well organized. The fewer possessions they have, the easier this is to accomplish. It is very easy for adolescents to accumulate too many unnecessary items in their living spaces.

**PHOTO I.D.:** To comply with airline regulations, all 7-day boarders need a state I.D. with photo (usually available from the Department of Motor Vehicles). Passports may be used as student's I.D. for students.
