

2019 Children's House Camp

3-6 Year Olds

We anticipate another fun filled summer with enriching activities that allow our children to be one with their natural surroundings. We will enjoy hikes through the woods, building stick forts, and visits to the pond and gardens, while enjoying many other activities.

Movement June: 10th - 14th, 17th - 21st, & 24th - 28th

Throughout these three weeks, our focus and motivation will come through movement. Our daily outdoor adventures and hikes to the pond are just the beginning. Splashing in small wading pools, limbo under the sprinkler, and water balloon tosses are sure to keep us cool during the hot summer. Fun relay games and obstacle courses will be a highlight to keep our bodies strong. Some other types of movement will include ballet basics, robot dancing, and animal yoga.

Fun with Art July: 8th - 12th, 15th - 19th, & 22nd - 26th

Bringing out our creative and artistic abilities, while enjoying our time outdoors, is an exciting way to balance art and nature. Many of our crafts will include watercolor, clay, and painting. Through stories and pictures, we will explore different painting styles and famous artists. The children will explore costume design and stage decorating for some dramatic fun. Drama is a great way to build self-confidence, and we will practice this while re-enacting nursery rhymes, poems, and songs.
