

COLLEGE COUNSELING PROGRAM

Take the journey. College Counseling begins in 9th grade.

How do I choose a college?
Am I ready?
How do I select my major?
How will I pay for this?

Have Questions About College?

Hershey Montessori School's College Counseling Program provides personalized assistance in understanding education opportunities, programs of study, costs, and payment options. We help find institutions that most closely align with a student's values and interests, and we assist with the college application process. Best of all, this specialized service is provided at no additional cost to enrolled families!
