ANNUAL REPORT 2024-2025

“The strength of our school lies in the community we built together. Every student, staff member, family, and friend who journeyed with us helped lay a foundation rooted in responsibility, grace, and a love of learning. These were the roots that steadied us and the wellspring from which new growth may emerge.”
-Diana Le Sieur

The Hershey Family Foundation’s generous endowment gift helps to secure our future, while your annual gift sustains our children’s growth today.
